Office of the Secretary  
Federal Communications Commission  
Washington, D. C. 20554

Dear Sirs:

DOCKET FILE COPY ORIGINAL

Enclosed is information in regards to telecasts of University football and basketball games from 1980 to 1993.

It is our estimate at present that approximately 17 percent of our athletic department revenue is generated by the sale of broadcast rights.

It is also our feeling that the public has been better served in our area through the addition of cable to the over all mix. The broadcast stations that carry our games are on cable systems throughout Utah and into Southern Idaho and it has greatly increased the opportunity for fans to see our games.

We have been actively involved with ESPN since that sports network started. We work closely with them on many local telecasts including using our remote truck and our crew.

It is also our feeling that the present mix of cable on broadcast has made it possible for more games to be televised. There is more opportunity for schools to be on television, especially those that had not been on the air in the past. Some contracts do limit the availability of certain games such as the WAC contract on basketball with ESPN.

At Brigham Young University, we operate our own network for football in connection with the Air Force Academy. This is called the Blue/White Network and we have nationwide coverage and have been able to work successfully around existing contracts but we are limited as to when we can televise the games (time of day).

Sincerely,

*Jay Monsen*

Dear Gene:

Enclosed are five copies of the 1988-1991 KSL-TV/BYU broadcast agreement. Bill Murdoch has executed the agreements on behalf of KSL-TV. After review and execution by the University, would you please return two fully executed copies to us for our files.

The agreement does not contain a provision that was in earlier drafts concerning situations, such as the Temple game several years ago, in which the local syndicator demands substantial fees to permit the telecast to be sent back to the Provo-Salt Lake market. In the earlier drafts we considered various methods of sharing such costs between BYU and KSL-TV. You and I have agreed that, rather than continue negotiating this issue as part of the contract, we would approach any such requests or demands on a case-by-case basis.

We also deleted from the contract language concerning "mentions" for KSL-TV clients on the scoreboard during games. This practice is currently allowed by BYU, and we contemplate that it will continue during the term of the contract.

Thanks for your help and patience.

Best regards,

  
Bruce T. Reese  
General Counsel

## AGREEMENT

THIS AGREEMENT is entered into this \_\_\_\_ day of \_\_\_\_\_, 1989, by and between BRIGHAM YOUNG UNIVERSITY ("BYU"), and BONNEVILLE INTERNATIONAL CORPORATION, a Utah corporation, owner and operator of KSL-TV ("KSL-TV").

### W I T N E S S E T H :

WHEREAS, BYU participates in a number of intercollegiate athletics, including men's football and basketball; and

WHEREAS, KSL-TV operates television broadcast station Channel 5 in Salt Lake City, Utah; and

WHEREAS, BYU and KSL-TV desire to enter into an agreement for the telecast by KSL-TV of certain BYU football and basketball games on the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of their mutual covenants herein, the parties agree as follows:

1. Definitions. For the purposes of this Agreement, the following terms have the meanings assigned to them below.

1.1 "Stadium." Cougar Stadium, Provo, Utah, or any other football facility in which BYU plays football while designated as the "home team."

1.2 "Center." Marriott Center, Provo, Utah, or any other facility in which BYU plays basketball while designated as the "home team."

1.3 "Games." All men's football and basketball games in

1.7 "Cable Game." A Game selected for cablecast by ESPN or another national cable network where KSL-TV and BYU have succeeded in obtaining Telecast rights for KSL-TV.

1.8 "Late Game." A football Game scheduled to start at 10:00 p.m. Mountain time or later.

2. Grant of Rights. Subject to the conditions stated herein, BYU grants to KSL-TV the exclusive Telecast rights to Games within the Territory during the term of this Agreement. Except as expressly provided herein, during the term of this Agreement, BYU shall neither offer live commercial television broadcasts of Games in the Territory nor authorize any entity other than KSL-TV to offer live commercial television broadcasts of Games in the Territory.

2.1 Selection of Games for Telecast. The number of Games to be Telecast in a given Season and the specific Games to be Telecast shall be by mutual agreement of the parties. Games shall be selected for Telecast as early as reasonably practicable. BYU agrees to cooperate with KSL-TV to the extent reasonably possible to schedule start times of Games to meet KSL-TV's scheduling needs and to comply with conference, CFA or NCAA scheduling requirements.

2.2 Conference Rights. The above exclusive grant of rights notwithstanding, KSL-TV acknowledges that BYU is, or during the Term of this Agreement may be, a member of certain conferences or associations and that, by virtue of its membership in such conferences or associations, may grant or have granted to such conferences or associations the right to offer certain Games for live commercial television broadcast or cablecast by entities other than KSL-TV. Illustrative of such an agreement is BYU's present participation in the Collegiate Football Association ("CFA"), by which BYU has authorized the CFA to offer a certain number of

2.3 Grant of Syndication Rights. Subject to the provisions of 2.2 above, BYU grants to KSL-TV exclusive live commercial cable and television syndication rights for Games during the period July 1, 1988 through June 30, 1990. The exclusive grant of rights notwithstanding, during the 30 days prior to television broadcast of any Game, BYU shall have the right to sell live television and cable rights to such Game to television stations and cable systems in markets in which KSL-TV has not previously sold rights to such Game; provided, however, in the instance of such sales, including feed splits, BYU shall protect markets covered by affiliates of the KSL-TV syndication network. BYU expressly reserves pay-per-view syndication rights. Upon expiration of the grant of rights of this paragraph 2.3, syndication rights for the remainder of the Term of this Agreement shall be negotiated by the parties. Notwithstanding that BYU shall not have any obligation to negotiate exclusively with KSL-TV for such syndication rights, BYU agrees that it will not grant such syndication rights to another entity before giving KSL-TV the option to obtain such rights on financial terms at least as favorable to BYU as those offered by the other entity, such option to be exercised within ten (10) days of KSL-TV's receipt of written notice of the terms of such offer. Nothing herein shall preclude BYU from undertaking syndication itself after June 30, 1990.

2.4 Cooperation with Other Universities.

A. The parties acknowledge that universities with which BYU competes may have entered into broadcast and syndication agreements similar to this Agreement with other entities for television broadcast or syndication of games in which those universities participate. At such time as home Games are selected for Telecast, KSL-TV will advise each university participating in such Games that KSL-TV will be airing the Game in the Territory and, if KSL-TV has syndication rights pursuant to paragraph 2.3 above at such time, that the Game is available in the market in which the university is located through KSL-TV. KSL-TV will cooperate with BYU and the opposing university to make such Game available for television broadcast by the station with which the opposing university has a contractual relationship.

B. At such time as away Games are selected for Telecast, BYU and KSL-TV will jointly advise the opposing universities of KSL-TV's desire to Telecast the Game and that KSL-TV has exclusive Telecast rights to Games. BYU will reasonably cooperate with KSL-TV in its efforts to Telecast the Game.

2.5 Production Responsibility. BYU shall be responsible for production, including the creation of program package material such as openings and closings for all Games Telecast pursuant to this Agreement. The foregoing notwithstanding, KSL-TV may, at its expense, provide a co-producer for Games. BYU agrees to coordinate

with KSL-TV the formatting of the production to accommodate KSL-TV's commercial and syndication needs, including any pre-Game and post-Game programs KSL-TV may elect to provide. All costs of delivery of productions from the Stadium or Center to KSL-TV, all costs of satellite for syndication, and costs of pre-Game and post-Game programs will be borne by KSL-TV. If either party requires

**5.3 Basketball Game Rights Fees.** The following per-Game rights fees:

<u>Season</u>	<u>Fee</u>
1988-89	\$15,000
1989-90	\$16,000
1990-91	\$17,000

**5.4 Basketball Game Production.** For production, \$7,000 per away Game and \$5,000 per home Game.

**5.5 Billing and Payment.** BYU shall invoice KSL-TV monthly for amounts payable hereunder. Payment shall be due within 30 days of receipt of the invoice.

**6. Additional Consideration from KSL-TV.** As additional consideration for the rights granted herein, KSL-TV agrees to provide the following:

**6.1 Program Sponsorship.** For each football and basketball Season during the term of this Agreement, KSL-TV will purchase an advertisement in BYU's program.

**6.2 Additional Sports.** During the term of this Agreement, KSL-TV and BYU will cooperate to develop opportunities for broadcast (whether on a live, delayed, or edited basis) of intercollegiate athletic events involving BYU teams other than men's football and basketball.

**7. Additional Consideration from BYU.** As additional consideration for the payments made herein, BYU agrees to provide the following services and items:

**7.1 Signs.** BYU shall provide KSL-TV with the right to post a television sign on the scorer's table in the Center during all Telecast home basketball Games and within the Stadium during all Telecast home football Games. BYU shall neither authorize nor allow signage in the Stadium or Center during home Games identifying any Salt Lake City market area television commercial broadcaster other than KSL-TV.

**7.2 Interviews.** BYU shall take reasonable actions to facilitate KSL-TV pre-Game and post-Game interviews with the BYU players and coaches at no cost.

**8. Promotion of Telecasts.** KSL-TV shall have the right to use and disseminate the name, logo and trademarks of BYU and portions of any Telecast in the promotion and advertising of Telecasts of Games and sales of advertising associated therewith. KSL-TV shall

have the right to use BYU's name, logo and trademark in combination with sponsors of Telecasts covered by this Agreement ("combination uses"), so long as such uses are in obvious combination with KSL-TV and do not appear to claim directly or by implication for KSL-TV sponsors status as "official" or "exclusive" BYU sponsors. KSL-TV shall submit materials descriptive of a proposed combination use to BYU and, if BYU determines that a proposed combination use is not in conformation with the rights defined in this paragraph, BYU shall within four (4) business days of receipt of the materials so notify KSL-TV in writing, which notice shall include identification of the respects as to which the proposed use is disapproved. Failure by BYU to give timely notice of disapproval shall be deemed approval of the proposed combination use. KSL-TV shall have the right to identify itself as the "BYU station."

**9. Compliance with Laws, Rules and Agreements.** This Agreement and all Telecasts hereunder shall be subject to the Communications Act of 1934, as amended (the "Act"), to all rules and regulations of the Federal Communications Commission ("FCC") and the Federal Trade Commission, as well as all applicable rules, regulations, or requirements of the WAC, any other conference, the CFA, or the NCAA. Neither party will in any manner, directly or indirectly, knowingly violate any federal or state laws in connection with any Telecast hereunder. BYU shall furnish KSL-TV with a current copy of all broadcasting agreements, rules, regulations, and decisions now in effect applicable to Telecasts pursuant to this Agreement, and shall, upon any modification of any of them, immediately notify KSL-TV thereof and promptly furnish KSL-TV with copies of the same.

**10. Advertising Content.** KSL-TV shall use its best judgment in placing advertising in the Games which is consistent with the stated values of BYU and with the values of its owner, The Church of Jesus Christ of Latter-day Saints.

**11. Force Majeure.** No liability shall accrue to either party if such party is prevented from carrying out any part of this Agreement by reason of any decision, order, rule, or regulation of the FCC or any other federal, state, or municipal agency or official, by reason of any statute, law, or ordinance, by reason of any court order or decree, or strike or labor dispute, or, in the case of KSL-TV in particular, by reason of any fire, lightning, or other cause beyond the control of KSL-TV that partially or totally disables the broadcasting facilities of KSL-TV so that it cannot carry any of the Telecasts included in this agreement. If KSL-TV is prevented from producing or telecasting a Game under this Agreement as a result of any cause beyond KSL-TV's control, its payment to BYU shall be proportionately diminished.

**12. Pre-Emptions.** KSL-TV may interrupt any Telecast for the purposes of carrying news related to a national or local disaster or emergency or to an event of viewer significance.

13. Copyright Ownership. For purposes of federal copyright law, BYU shall be regarded as the rights holder in all broadcasts of games hereunder with all rights and obligations resulting therefrom.

First Right of Refusal BYU will enter into good faith

and ten (10) days from the receipt of such notice within which to cure the default.

**16. Miscellaneous.**

**16.1 Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Utah. Any provision of this Agreement that is found to be inconsistent with such governing law shall be deemed ineffective to the extent of such inconsistency, without invalidating the remaining provisions of this Agreement.

**16.2 Entire Agreement; Amendments.** This Agreement contains

is duly authorized by BYU and KSL-TV, respectively, so as to be fully binding upon each party.

**16.8 Time of Essence.** Time is of the essence of each and every provision hereof.

**16.9 Counterparts.** This Agreement may be executed in counterparts, all of which together shall be deemed a single document.

**16.10 Warranty.** BYU and KSL-TV each warrants to the other that Telecasts of material furnished by it or by its employees (including ad lib or other remarks or conduct by any player, coach, or sportscasters employed by either party) will not violate any rights of others, and each agrees to indemnify and save the other, its officers, directors, partners, agents, employees, and affiliated companies harmless from any and all claims, damages, liabilities, costs, and expenses, including reasonable attorneys' fees, arising from Telecasts of such material.

**16.11 Cooperation.** Wherever in this Agreement things may be done or rights exercised upon mutual agreement, or with the approval of the other party, no party may withhold its agreement or approval unreasonably. Failure or refusal by one party to pay compensation in addition to that provided by this Agreement shall not be considered reasonable grounds for withholding agreement or approval.

IN WITNESS WHEREOF, the parties have executed this Agreement on the date first above indicated.
